ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सोम प्रकाश)

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI SOM PARKASH)**

(a): The status of Chennai-Bengaluru (CBIC), Bengaluru-Mumbai (BMIC) and Hyderabad-Bengaluru (HBIC) is as under:

- 1. Chennai Bengaluru Industrial Corridor (CBIC):** Three nodes namely Tumakuru in Karnataka, Krishnapatnam in Andhra Pradesh and Ponneri in Tamil Nadu have been identified for development under CBIC. Status of these Nodes is as under:

Krishnapatnam Node: Project was approved by Government of India on 30th December, 2020. Detailed master planning and preliminary engineering activities for an area of 2,500 acres, as an activation area, have been completed. Engineering, Procurement and Construction (EPC) tendering work for implementation of trunk infrastructure has been initiated.

Tumakuru Node: Project was approved by Government of India on 30th December, 2020. Detailed master planning and preliminary engineering activities for an area of 1,736 acres, as an activation area, has been completed. Environment Clearance has been obtained. EPC tendering work for implementation of trunk infrastructure has been initiated.

Ponneri Node: Consultant has been appointed for carrying out Detailed Master Planning and Preliminary Engineering for an area of 4,000 acres.

2. **Bengaluru Mumbai Industrial Corridor (BMIC):** The Perspective Plan of BMIC has been completed. Government of Karnataka and Government of Maharashtra has confirmed availability of land for development of industrial node at Dharwad and Satara respectively. Consultants have been appointed for Detailed Master Planning and Preliminary Engineering for both the nodes.
3. **Hyderabad Bengaluru Industrial Corridor (HBIC):** Orvakal node in Andhra Pradesh has been identified for development under HBIC. Consultants have been appointed for Detailed Master Planning and Preliminary Engineering. Site survey, preparation of base map, technical assessment & land suitability, preparation of preliminary master plan, etc. have been completed by the consultant.

(b): Above Industrial Corridors are at different stages of implementation. Out of three nodes to be developed in CBIC, land has been made available in two nodes Krishnapattnam and Tumakuru. These are scheduled to be developed by 2026. For other corridors/nodes, since project development activities are going on, the timelines can be ascertained after availability of land and competent approval.

The status of Amount allocated, released and spent on the development of Industrial corridors is as under:
