- (b) the corrective steps taken by the Government for release of the subsidy to LPG consumers in a time-bound manner?

ANSWER

**पेट्रोलियम और प्राकृतिक गैस मंत्रालय में राज्य मंत्री
(श्री रामेश्वर तेली)**

**MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS
(SHRI RAMESWAR TELI)**

(a) & (b): The prices of petroleum products in the country are linked to the price of respective products in the international market. However, the Government continues to modulate the effective price to consumer for Subsidized Domestic LPG. The selling price and subsidy on domestic cooking gas increases/ decreases as the product price increases/decreases in international market and decision of Government on subsidy. The subsidy, as admissible, is credited to the bank account of eligible beneficiaries.
