(श्री रामेश्वर तेली)

MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS
(SHRI RAMESWAR TELI)

- (a) to (d) As on 01.02.2022, there are 306 Oil Terminals/Depots in the country. The installation of new Oil Terminals/Depots is a continuous process depending upon the requirement of a particular region including fulfillment of statutory norms and commercial viability. Public Sector Oil Marketing Companies (OMCs) have informed that 14 new Oil Terminals/Depots are under construction in the country. Recently, a new Oil Depot has been commissioned at Gulbarga in Karnataka during the year 2022. Presently, availability of petroleum products is sufficient to meet the full market demand of the country.
