**MINISTER OF STATE IN THE MINISTRY OF FINANCE

(a) to (d): The World Bank does not maintain a centralized record of their teams' visits to various project sites, including the objectives / purpose of their visit and findings regarding the implementation of project. However, at the end of each mission conducted by the World Bank virtually / physically, an aide memoire is issued by the World Bank Team which reflects findings, recommendations and agreements reached including details of site visit. Further, report of project implementation status is prepared by the World Bank team and posted on the relevant page of World Bank's project website. This report is publicly available at World Bank's project website at <https://projects.worldbank.org>. Since March 2020, all missions of World Bank Team including the sites visits were suspended due to COVID-19 pandemic.
