3123. SHRI OMPRAKASH BHUPALSINH alias PAWAN RAJENIMBALKAR:

Will the Minister of RURAL DEVELOPMENT be pleased to state:

- (a) the details of funds allocated by the Government to Maharashtra for rural development during the last five years; and
- (b) the details of allocation and utilization of funds in the districts of Maharashtra including Osmanabad?

**ANSWER**

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT  
(SADHVI NIRANJAN JYOTI)

(a): Mahatma Gandhi National Rural Employment Guarantee Scheme (Mahatma Gandhi NREGS), Deendayal Antyodaya Yojana – National Rural Livelihoods Mission (DAY-NRLM), Deen Dayal Upadhyay – Gramin Kaushalya Yojana (DDU-GKY) and Rural Self Employment Training Institutes (RSETI), Pradhan Mantri Awaas Yojana – Gramin (PMAY-G), Pradhan Mantri Gram Sadak Yojana (PMGSY), National Social Assistance Programme (NSAP) and Shyama Prasad Mukherji Rurban Mission (SPMRM) are the main programmes/schemes being implemented by the Department of Rural Development (DoRD), Ministry of Rural Development (MoRD) in rural areas. All these schemes are being implemented in the State of Maharashtra. Mahatma Gandhi NREGS, DDU-GKY and RSETIs are demand driven programmes and hence no State-wise allocations are made under these schemes. NSAP is a social security/social welfare programme and funds are released to the States based on the identification of beneficiaries by the States. The allocation of funds to the states for implementation of PMGSY depends, inter-alia, on works in hand, execution capacity of the State and unspent balance of previous year(s) available with the State. Moreover, the Central funds under PMGSY are released to the State Government only and further funds are allocated at district level by the State Government itself. The details of funds released/allocated to Maharashtra during the last five years under these schemes are at **Annexure-I**.

(b): The details of expenditure/allocation/utilization of funds under these schemes in the districts of Maharashtra including Osmanabad is at **Annexure-II**
