SHRI Y.S. AVINASH REDDY

Will the Minister of JAL SHAKTI be pleased to state:

- (b) if so, the details thereof; and
- (c) the details of the other projects which are being considered for sanction of DRIP aid in the State of Andhra Pradesh?

ANSWER

THE MINISTER OF STATE FOR JAL SHAKTI

(SHRI BISHWESWAR TUDU)

(a) & (b) The number of dams identified for inclusion under DRIP programme are based on proposals received from the participating States. The individual States have done a review of the status of their dams and have identified those dams that are in need of rehabilitation and improvement.

Govt. of Andhra Pradesh has not proposed the Prakasam Barrage for its rehabilitation under the externally funded Dam Rehabilitation & Improvement Project (DRIP) Phase-II & III.

(c) State of Andhra Pradesh has shown willingness to participate in the DRIP Phases-II & III. Thirty one (31) dams of Andhra Pradesh have been proposed for comprehensive rehabilitation under the said programme at a tentative cost of Rs. 777.00 Crore. List of dams proposed by Andhra Pradesh under DRIP, Phase-II & III are given at **Annexure**.
