- (b) the budget allocation made for the purpose in the State, project-wise?**

ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) and (b) Maintenance and repair of National Highways (NHs) in the country including NHs in the State of West Bengal is a continuous process. Maintenance and repair works in Public Private Partnership (PPP) and Engineering, Procurement and Construction (EPC) Projects are undertaken by the concessionaire/contractor as per provisions of respective concession/contract agreement. Maintenance and repair works in other National Highway stretches are taken up based on requirement of preventive maintenance, routine maintenance, extent of damages due to rains, floods, landslides etc., availability of funds and inter-se priority of works.
