

GOVERNMENT OF INDIA  
MINISTRY OF JAL SHAKTI,  
DEPARTMENT OF WATER RESOURCES, RIVER DEVELOPMENT & GANGA REJUVENATION  
**LOK SABHA**  
**UNSTARRED QUESTION NO. 369**  
ANSWERED ON 03.02.2022

**FLOOD MANAGEMENT PROGRAMME IN TAMIL NADU**

369. SHRI PARTHIBAN S.R.

Will the Minister of **JAL SHAKTI** be pleased to state:

- (a) whether the Ministry has undertaken any project under Flood Management Programme(FMP)in the State of Tamil Nadu;
- (b) if so, the details thereof?
- (c) if not, the reason therefor?

**ANSWER**

THE MINISTER OF STATE FOR JAL SHAKTI

(SHRI BISHWESWAR TUDU)

(a) to (c) Flood management including erosion control falls within the purview of the States. Flood management and anti-erosion schemes are formulated and implemented by concerned State Governments as per their priority. The Union Government supplements the efforts of the States by providing technical guidance and also promotional financial assistance for management of floods in critical areas. The Government of India had launched a centrally sponsored scheme viz. Flood Management Programme (FMAP) during XI Plan to provide central assistance to states for taking up works related to flood management, anti-erosion, drainage development, anti-sea erosion etc. which continued during XII Plan period and as a component of “Flood Management and Border Areas Programme (FMBAP)” for subsequent period. Five flood management projects from the State of Tamil Nadu during XI Plan were approved for central assistance under 'Flood Management Programme' and have been physically completed. Details of these five flood management projects are at **Annexure-I**.
