ANSWER

THE MINISTER OF STATE FOR FINANCE
(DR. BHAGWAT KRISHANRAO KARAD)

- (a) As per information available, as on 31.3.2021, there are 255 Operating Central Public Sector Enterprises (CPSEs) in the country including West Bengal. Most CPSEs have operations beyond the place of their registered office. The year wise and State wise details of loss making CPSEs for the year 2018-19, 2019-20 and 2020-21 are given at **Annexure-I**.
- (b) Enterprise specific measures for their turnaround are taken by the respective Boards and administrative Ministries/Departments having jurisdiction over the CPSEs concerned. These, inter alia, include business restructuring, formation of joint ventures, modernization and improved marketing strategies etc. Government has also notified the New Public Sector Enterprise ("PSE") Policy in February, 2021 as per which CPSEs have been classified in Strategic and Non Strategic sectors based on certain criteria. The CPSEs are, therefore, to be dealt according to the provisions of the New PSE Policy only.

(c to d) CPSEs function under the administrative control of respective Ministries/Departments. Any decision to set up new CPSEs is taken by the sectoral line Ministries/Departments after taking into consideration the needs and commercial viability and any extant policy of the Government.
