MINISTER OF STATE IN THE MINISTRY OF EDUCATION

(a) to (c) Occurring of vacancies and filling thereof is a continuous process. The vacancies arise due to retirement, resignation and additional requirements on account of enhanced students' strength. The Institutions are adopting various measures to address the shortage of faculty in order to ensure that studies of students are not affected which inter-alia, includes engaging research scholars, hiring through contract, re-employment or through visiting faculty. Ministry of Education has requested all the Central Higher Educational Institutions to fill up the vacancies in a Mission Mode within a period of one year starting from 5th September, 2021. So far 8589 (eight thousand five hundred eighty nine) posts have been advertised in Higher Educational Institutions of Ministry of Education.
