- (b) the details of the benefits provided to Jharkhand State under Pradhan Mantri Gati Shakti Project; and
- (c) the details of the schemes being implemented in Naxal affected areas by the Government, district/scheme-wise?

ANSWER

**वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सोम प्रकाश)
THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI SOM PARKASH)**

- (a):** The PM Gati Shakti is a new approach and mechanism adopted for integrated planning, synchronized implementation, prioritization and optimization of cost and time of infrastructure projects. Under this approach a GIS based technology platform called National Master is developed and made available, to facilitate informed and technology based decision making for integrated planning and implementation of the different projects proposed or implemented by respective Ministries/Departments of Central and State Governments.
- (b) & (c):** Adoption of PM-GatiShakti approach and the National Master Plan has the potential to benefit all the States including in the Jharkhand state or the Naxal affected areas, through better planning , decision making and implementation of various projects of the the Ministries/Departments of Central and the State Governments.
