(ii) Smart Cities Mission

100 cities were selected through a two-stage challenge process, one at the State and other at national level for development as Smart Cities. In the first stage of the challenge process, States / Union Territories (UTs) shortlisted potential Smart Cities following objective criteria. In the second stage, these potential Smart Cities competed against each other in 4 rounds of competition held between January 2016 to June 2018. The implementation of SCM at the city level is done by a Special Purpose Vehicle (SPV) created for the purpose. Central Government is providing financial support to the extent of ₹48,000 crore over a period of five years i.e. ₹500 crore per city, on an average 100 crore per city per year. An equal amount on a matching basis is being contributed by the State Government/Urban Local Body (ULB). In the State of Maharashtra, 8 cities namely Aurangabad, Kalyan-Dombivali, Nagpur, Nashik, Pimpri-

Chinchwad, Pune, Solapur and Thane have been selected for development as Smart Cities. Government so far released ₹29,213.60 crore for 100 Smart Cities. State / City-wise detail of funds released under the Mission including Maharashtra are given below:

(iii) Swachh Bharat Mission-Urban(SBM-U) 2.0

Swachh Bharat Mission-Urban (SBM-U) is being implemented in all the Urban Local Bodies (ULBs) of the country. Allocation of Central Assistance (CA) under the Mission is made for the Mission period and not financial year-wise. State Governments / UTs can draw CA as per their requirements within the total funds allocated to them. ULBs identify projects as per the City Sanitation Action Plan (CSAP) and submit their demands to State Government. The State Government in-turn selects the projects for various ULBs keeping in the overall picture of the State and in consonance with the State Sanitation Action Plan. The selected projects after approval of the State High Powered Committee (SHPC) are submitted to the MoHUA for release of CA. The MoHUA releases the CA in conformity with the operational guidelines of SBM-U 2.0. Funds released, year-wise, to the States/ UTs are given below:
