ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) to (d) The stretch from Nellore to Tada of National Highway 16 was upgraded to 4 lane configuration on BOT Mode with concession period upto May, 2031. There is no provision of capacity augmentation (upgradation to higher configuration) in the Concession Agreement. Hence, at present there is no plan to upgrade the said stretch until the concession period is over.
