ANSWER

**MINISTER OF RAILWAYS, COMMUNICATIONS AND ELECTRONICS &
INFORMATION TECHNOLOGY**

(SHRI ASHWINI VAISHNAW)

(a) to (d) Indian Railways (IR) provides solar plants at Railway stations based on techno-economic feasibility and viability. IR has plans to progressively provide solar power plants at more number of railway stations. So far, 1949 Railway stations across the country have been identified for provision of rooftop solar plants including 167 railway stations in Andhra Pradesh. Out of these identified Railway stations, 1141 Railway stations have been provided with rooftop solar plants including 93 railway stations in the State of Andhra Pradesh.
