ANSWER

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SADHVI NIRANJAN JYOTI)

(a) & (b): Mahatma Gandhi National Rural Employment Guarantee Scheme (Mahatma Gandhi NREGS) is a demand driven wage employment programme. The core objective of the Scheme is to provide not less than 100 days of unskilled manual work as a guaranteed employment in a financial year to every household in rural areas as per demand, resulting in creation of productive assets of prescribed quality and durability.

As per Schedule -I of the Mahatma Gandhi National Rural Employment Guarantee Act (Mahatma Gandhi NREGA), "works which are non-tangible, not measurable, repetitive such as, removing grass, pebbles, agricultural operations, shall not be taken up".

There are 262 permissible works under Mahatma Gandhi NREGA. Adding new works under Mahatma Gandhi NREGS is a regular exercise and new works are added on the basis of merit in alignment with focus and objectives of the Act.

- (c) Construction of **cattle shelter** on community or individual land is permissible activity under the Scheme.
- (d) to (f) No, Sir. As per the provisions of the Act, such activities are not permissible.
