ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI NITYANAND RAI)**

(a) to (c): The primary responsibility for disaster management, including undertaking disbursement of relief to affected people at ground level, rests with the State Governments concerned. The State Governments undertake relief measures in the wake of natural disasters including cyclone and floods, from the State Disaster Response Fund (SDRF), already placed at their disposal, in accordance with Government of India's approved items and norms. Additional financial assistance is provided from the National Disaster Response Fund (NDRF), as per laid down procedure in case of disaster of 'severe nature', which includes an assessment based on the visit of an Inter-Ministerial Central Team (IMCT).
