**ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY
WELFARE
(DR. BHARATI PRAVIN PAWAR)**

(a) to (d):The Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) aims at correcting regional imbalances in the availability of affordable tertiary healthcare services and to augment facilities for quality medical education in the country. The Scheme has two components, namely, (i) Setting up of All India Institute of Medical Sciences (AIIMS); and (ii) Upgradation of existing

Government Medical Colleges/Institutions (GMCI). So far setting up of 22 new AIIMS and 75 projects of upgradation of GMCI have been approved under the Scheme in various phases. The status of implementation of the scheme in the country including Phase-wise works approved under the Scheme are at Annexure. Allocation of funds under PMSSY is combined for all the projects undertaken under the scheme and there is no State-UT/wise allocation. The details of fund allocated during the last three financial years and current financial year under the Scheme are as under;

| Financial Year | Fund allocated (RE) (Rs. in Crore) |
|----------------|---------------------------------------|
| 2018-19 | 3825.00 |
| 2019-20 | 4714.90 |
| 2020-21 | 7517.25 |
| 2021-22 | 7623.70* |

**including Rs.223.70 Crore under ECRP-II*

(e) to (f):An independent evaluation study of the PMSSY has been conducted through Indian Institute of Public Administration. The Study was awarded in November, 2017 and its final Report was received in December, 2020. The study covered 6 operational AIIMS and a sample of 8 up-graded GMCI projects out of 19 GMCI upgradation projects of Phases – I and II of the scheme.
