Will the Minister of AGRICULTURE AND FARMERS WELFARE कृषि एवं किसान कल्याण मंत्री be pleased to state:

(a) whether it is a fact that an expert committee has been constituted under the Chairmanship of Anupam Verma to ban 66 pesticides in the country which have already been banned in foreign countries;

(b) if so, whether the committee has submitted its report to the Government;

(c) whether its recommendations have been accepted or not along with the number of pesticides that have been banned;

(d) the steps taken by the Government to provide the information regarding scientific use of pesticides to farmers;

(e) the number of pesticides being manufactured in the country as on date for agriculture use and whether any assessment has been made regarding their harmful effects on the environment; and

(f) if so, the details thereof?

ANSWER

MINISTER OF AGRICULTURE AND FARMERS WELFARE

कृषि एवं किसान कल्याण मंत्री (SHRI NARENDRA SINGH TOMAR)

(a) to (c): An Expert Committee was constituted by Department of Agriculture & Farmers Welfare (DA&FW), Ministry of Agriculture & Farmers Welfare, Government of India under the chairmanship of Dr. Anupam Verma (former National Professor), IARI, New Delhi to review 66 pesticides which are banned/restricted in other countries but continued to be registered for use in India. The report submitted by Expert Committee was forwarded to the Registration Committee (RC) for consultation under section 27(2) of the Insecticides Act, 1968. The Registration committee deliberated the report of the Expert Committee in its 361st special meeting held on 22.12.2015 and accepted its recommendations with some observations. The

Government of India after considering the recommendations of the Expert committee along with observations of the Registration committee had issued an order on 14.10.2016 whereby out of 66 pesticides, 12 pesticides were banned, 6 pesticides were recommended to be phased out by the year 2020. One pesticide (Endosulfan) was not reviewed being under consideration of Supreme Court but was later banned by the Hon'ble Court. One Pesticides (Fenitrothion) was already banned for use in agriculture.

(d): The Directorate of Plant Protection, Quarantine & Storage, an attached office of the Ministry of Agriculture & Farmers Welfare, regularly organizes training activities like Farmers Field Schools (FFS) through its 35 Central Integrated Pest Management Centers (CIPMCs) in different States/ Union Territories to create awareness among farmers on the various Integrated Pest Management (IPM) techniques. During the trainings, major emphasis is given on judicious use of chemical pesticide as a last resort, alternate tools for pest management viz; cultural, physical, mechanical methods of pest control as well as use of bio-pesticides and bio-control agents, effects of pesticides on natural enemies of pests, do's and don'ts of pesticide including proper application equipment and the technique. Under this programme, farmers are being made aware about the judicious use of chemical pesticides as per the prescriptions given in the label and leaflets approved by the Registration Committee.

(e) to (f) : A total of 302 pesticides and their 832 formulations are registered for use in the country.

On receipt of new studies / reports/ references/ information by the government from time to time, registered pesticides are periodically reviewed with regard to their safety and efficacy. The review is done by constituting expert committees. Based on the recommendations of such expert committees and after due consultation with Registration Committee, the Ministry of Agriculture and Farmers Welfare has so far banned or phased out 46 pesticides and 4 pesticide formulations for import, manufacture or use in the country. In addition, 8 pesticide registrations have been withdrawn and 9 pesticides have been placed under restricted use (**Annexure-I**).
