- (d) if so, the details of the applicability for registration under DPIIT?

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सोम प्रकाश)

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI SOM PARKASH)**

- (a) & (b):** At present, the Government has no matured proposal to extend the Industrial Development Scheme (IDS) 2017 for Himachal Pradesh and Uttarakhand.
- (c) & (d):** Applications received on the portal are appraised at the level of District and State. Thereafter the final grant of registration/in-principle approval is decided by the Empowered Committee coordinated by Department for Promotion of Industry and Internal Trade (DPIIT), which, inter-alia, considers the prima-facie eligibility of the industrial unit, availability of budget and decides the eligibility for registration under the scheme. Further, for claiming the incentives under the Scheme, the registered unit has to apply on IDS portal along with the requisite documents and if on scrutiny, the claim is approved by State Level Committee on the recommendation of concerned DIC, the same is referred to DPIIT for consideration and approval for release of funds to the State Nodal Agency for disbursement to the beneficiary industrial unit.
