ANSWER

**MINISTER OF STATE IN THE MINISTRY OF EDUCATION
(DR. SUBHAS SARKAR)**

(a)to (c): The Government is committed to make higher and technical education accessible to all sections of society including poor students. The Department of Higher Education as well as other Ministries implement scholarship schemes and interest subsidy schemes for the benefit of such students. The schemes are implemented as per instant guidelines of respective implementing agencies. For the scholarship/ interest subsidy schemes run by the Department of Higher Education (DHE), the amounts are disbursed to the beneficiary account through Direct Benefit Transfer with Public Finance Management System (DBT with PFMS) integration to ensure proper implementation.
