(a) to (c): The Government is aware of the demands for setting up full-fledged Floriculture Regional Station with required scientists and other technical staff to guide Kadiyam nursery.

Indian Council of Agricultural Research (ICAR) has set up a Regional Station of ICAR-Directorate of Floricultural Research (ICAR-DFR), Pune at Vemagiri (near Rajamahendravaram), Kadiyam Mandal, East Godavari District, Andhra Pradesh during 2017 in view of the requirement of nursery industry and farmers of floriculture of the region. Five scientist positions have been sanctioned for the Regional Station.
