Farmers are provided financial assistance of Rs 31000/ha / 3 years under PKVY and Rs 32500/ha/ 3years under MOVCDNER for organic inputs such as seeds, bio-fertilizers, bio-pesticides, organic manure, compost/ vermi-compost, botanical extracts etc. Apart from this, support is also provided for Clusters/ Farmers Producers Organization (FPO) formation, training, certification, value addition and marketing of their organic produce. Organic cultivation on either side of River Ganga under Namami Gange of National Mission of Clean Ganga (NMCG), and Large Area Certification have also been introduced under PKVY to increase area under organic farming.

Bhartiya Prakritik Krishi Padhati (BPKP), under Paramparagat Krishi Vikas Yojana (PKVY) is also being implemented since 2020-21 to promote traditional indigenous practices. The scheme mainly emphasizes on exclusion of all synthetic chemical inputs and promotes on-farm biomass recycling with major stress on biomass mulching, use of cow dung-urine formulations and other plant based preparations. Under BPKP, financial assistance of Rs 12200/ha for 3 years is provided for cluster formation, capacity building and continuous handholding by trained personnel, certification and residue analysis.
