Development fishing harbours and fish landing centres is one of the thrust areas and an investment of about Rs.3500 crore has been envisaged for this purpose under the PMMSY. Under PMMSY, central financial assistance upto 60% of project cost to the State Governments and 100% for UTs is provided for the development of fishing harbours and fish landing centres. Besides, the Government of India provides 100% central funds for modernization of fishing harbours exclusively owned by the Central Government and its entities. PMMSY also envisages suitable linkages and convergence with the Sagarmala Scheme of Ministry of Ports, Shipping and Waterways(MoPSW) for development of fishing harbours/fish landing centres.
