**ANSWER
THE MINISTER OF YOUTH AFFAIRS & SPORTS
{ SHRI ANURAG SINGH THAKUR }**

(a) to (f) A statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (f) OF LOK SABHA STARRED QUESTION NO. *26 TO BE ANSWERED ON 19/07/2022 REGARDING “DEVELOPMENT OF SPORTS INFRASTRUCTURE” ASKED BY SHRI SANGANNA AMARAPPA AND SHRI S. MUNISWAMY, HON’BLE MEMBERS OF LOK SABHA

(a) to (e) Sports’ being a State subject, the responsibility of development of sports infrastructure, including construction of multi purpose sports stadiums and creation of world class training facilities, primarily rests with the State/Union Territory Governments. Central Government supplements their efforts by bridging critical gaps. However, under the “Utilization and Creation/Upgradation of Sports Infrastructure” vertical of the Khelo India Scheme, this Ministry renders financial support for creation of basic sports infrastructure such as sports complex, synthetic athletic tracks, synthetic hockey fields, synthetic turf football grounds, multipurpose halls, swimming pools, etc. along with sports equipment.

Further, this Ministry implements various Sports Promotional Schemes across the country through the Sports Authority of India (SAI), viz. National Centres of Excellence (NCOE), SAI Training Centre (STC), Extension Centre of STC, National Sports Talent Contest (NSTC) - (with its sub-schemes for Regular Schools, Indigenous Games & Martial Arts (IGMA) School & Akharas), whereby services of expert coaches, sports equipment, boarding and lodging, sports kit, competition exposure, educational expenses, medical/ insurance and stipend as per the approved scheme norms are provided.

Training of sportspersons preparing to participate in major international tournaments is mainly held at Centres of Sports Authority of India, which have adequate facilities. Further, under the Target Olympic Podium Scheme (TOPS), customized training including coaching in foreign countries and allied facilities are also being made available to medal prospects and high achievers.

State/UT-wise allocation of funds is not done in respect of the schemes of this Ministry. Details of allocation of funds to this Ministry during the current financial year is ₹ 2254.00 crore.

The details of the sports infrastructure projects approved under the Khelo India Scheme in the States of Karnataka, Maharashtra and Tamil Nadu are given at Annexure.

(f) The proposal for construction of swimming pool at Nippani in Belagavi district has been received. The sports infrastructure project proposals received under the “Utilization and Creation/Upgradation of Sports Infrastructure” vertical of the Khelo India Scheme are considered for financial assistance as per to the parameters of the Scheme subject to their completeness, technical feasibility and availability of funds.
