- (c) the measures proposed to be taken by the Government to address incidents of farmers not getting PM-KISAN Yojana benefits after the conversion of rural areas to urban?

**ANSWER**

MINISTER OF AGRICULTURE AND FARMERS WELFARE  
कृषि एवं किसान कल्याण मंत्री (SHRI NARENDRA SINGH TOMAR)

(a) & (b): Pradhan Mantri Kisan Samman Nidhi (PM-KISAN) Yojana, one of the largest Central Sector Scheme allows continuous registration of new beneficiaries. The State-wise details of the eligible beneficiaries who have been benefitted after registration under the PM-KISAN Scheme is attached at Annexure.

States/UTs identify and verify the beneficiaries under the scheme. Benefits are transferred to the beneficiaries through Direct Benefit Transfer mode, on the basis of verified data received from the States/UTs on the PM-KISAN portal. Verification and validation of data is a continuous process in the Scheme. To help the States/UTs for automated validation of the beneficiaries' data, PM-KISAN portal has been integrated with the portals of Unique Identification Authority of India (UIDAI) for Aadhaar authentication; with Public Finance Management System (PFMS) for validation of account and Government employees/pensioners data; with Income Tax Department for validation of income tax payee status; and with National Payment Corporation of India (NPCI) for Aadhaar based payments.

Further, Farmers can also edit their names in PM-KISAN database as per their Aadhaar card through the 'Farmers Corner' at PM-KISAN portal. The same facility is also available through CSC and the PM-KISAN mobile app.

(c): The benefits of the PM-KISAN Scheme are provided to farmer families having cultivable landholding, irrespective of Rural and Urban areas.
