वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सोम प्रकाश)

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI SOM PARKASH)**

(a) & (b): The Government under Startup India initiative launched States' Startup Ranking Exercise in 2018 to rank States and Union Territories (UTs) on the basis of policy measures being taken by them to promote their startup ecosystems. So far, three such exercises have been undertaken by the Department for Promotion of Industry and Internal Trade (DPIIT). The result of the participating States and UTs in three editions of the States' Ranking Exercise is placed at **Annexure-I**.

(c) to (e): Government e-Marketplace (GeM) is an online platform for public procurement in India. The portal provides relaxation to Startups, as recognized by the Department for Promotion of Industry and Internal Trade (DPIIT) as per G.S.R. notification 127 (E) dated 19th February, 2019, from criteria of '*prior experience*', '*turnover*' and '*submission of EMD*' as per norms of General Financial Rules, 2017.

The GeM platform facilitates on-boarding of recognised startups through its "Startup Runway" portal, which is a dedicated platform for startups, to offer their products and services for government procurement.

As on 30th June 2022, 14,311 startups have been on-boarded on GeM, with 1,40,530 orders from public entities, totaling over Rs. 8,040 crore.
