ANSWER

Minister of CIVIL AVIATION

नागर विमानन मंत्री

(Shri Jyotiraditya M. Scindia)

(a): The Ministry of Civil Aviation has constituted advisory groups inter-alia for airlines, airports, cargo, Maintenance, Repair and Overhaul and Flying Training Organisations under the chairmanship of the Minister of Civil Aviation. Meetings of these advisory groups are held on a regular basis. This mechanism enables open dialogue between the Government and the aviation industry and helps in better understanding of operational issues. Policy issues concerning entire aviation eco-system including development of major airports in the country into international hubs have come up for discussions in the Advisory Group meetings.

(b): No, Sir.

(c): Does not arise.
