ANSWER

THE MINISTER OF STATE FOR JAL SHAKTI
(SHRI PRAHLAD SINGH PATEL)

(a) & (b) Since August, 2019, Government of India in partnership with States is implementing Jal Jeevan Mission (JJM) to make provision of potable tap water supply to every rural household across the country, by 2024.

At the time of announcement of Jal Jeevan Mission, 3.23 Crore rural households were reported to have tap water connections. So far, 6.65 Crore households have been provided with tap water connections in last 35 months. Thus, as on 25th July 2022, out of 19.14 Crore rural households in the country, around 9.88 Crore (51.61%) households are reported to have tap water supply in their homes.

(c) Drinking Water being a State subject. It is States, who plan, design, approve and implement drinking water supply schemes. Government of India supplements the efforts of the States by providing technical and financial assistance. As such details of district wise fund allocation is not made and maintained by this department. However, details of Central fund allocated, fund drawn and fund utilization reported by the State of Rajasthan under Jal Jeevan Mission in 2019-20, 2020-21, 2021-22 and 2022-23 (as on 25.07.2022) is as under:
