- (c) the details of funds allocated/released and utilized for developing infrastructure and procurement of training equipments, State/UT-wise;
- (d) the steps taken by the government to spread awareness about said Scheme amongst the rural population; and
- (e) the number of beneficiaries under the Scheme, State/UT-wise?

**ANSWER**

**THE MINISTER OF STATE IN THE MINISTRY OF HEALTH & FAMILY WELFARE  
(DR. BHARATI PRAVIN PAWAR)**

(a) to (e): Human Resource Development for Emergency Medical Services is a central sector scheme which intends to create a pool of trained doctors, nurses and paramedics in the country with skills to provide standardized emergency life support measures to reduce mortality and morbidity due to medical emergencies in the country.

The scheme provides for setting up and equipping Skill Centers in Medical Colleges/ Institution along with development of standardized course materials for training of doctors, nurses and paramedics to impart skill-based training in emergency life support.

As on 26<sup>th</sup> July 2022, a total of 91 Skill Centers located in 27 States/UTs are in various stages of development. Details are placed at **Annexure I**.

State/UT wise details of funds released for developing infrastructure and procurement of training equipment is at **Annexure II**.

Master trainers developed under the scheme provide trainings to health functionaries at District/ Sub-District Level Health Care Facilities in a cascaded fashion in respective States/UTs. The scheme is indented to improve emergency patient management and benefits the community at large, both in urban and rural settings.
