- (b) whether the Government has consistently failed in achieving such targets;
- (c) if so, the details thereof and the reasons therefor;
- (d) whether it is true that the Ministry has overestimated the disinvestment of PSUs during the last few years; and
- (e) if so, the details thereof?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE
(DR. BHAGWAT KISHANRAO KARAD)

(a) to (e) : The disinvestment targets and actual disinvestment receipts during the period 2017-18 to 2021-22 are given as under:

(Rs. in crore)

Year	Revised Estimates (RE)	Actual Disinvestment Receipts
2017-18	100000	100057
2018-19	80000	84972
2019-20	65000	50299
2020-21	32000	32845
2021-22	78000	13531

Disinvestment process depends on several factors such as constantly changing market conditions & geo political economic developments, investors' perceptions and interest about CPSE stocks and available opportunities for disinvestment. During the last few years, there have been serious uncertainties in economic and market environment owing to Covid pandemic, global economic turmoil and geo-political tensions adversely affecting the disinvestment process, completion of ongoing transactions and launching of new transactions.
