- (d) the likely time by which this new initiative by SEBI is likely to be implemented; and
- (e) the details of other measures being taken by the Government to provide credible information on market trends to enable investors make prudent investments in the market?

ANSWER

**SHRI PANKAJ CHAUDHRY
MINISTER OF STATE FOR FINANCE**

(a) to (e): SEBI is conducting a study to see the outcome of trading in equity derivatives by individual investors. The preliminary findings of this study are under discussion by a Working Group constituted by SEBI for this purpose. SEBI would take an appropriate view on the 'risk factor disclosure' for investors trading in the stock market on receiving of the recommendations of said Working Group.
