PMKVY has two components namely Short Term Training (STT) and Recognition of Prior Learning (RPL). As on 30.06.2022, total 125,806 migrants have been trained / oriented {87,772 in short term training (STT) and 38,034 in Recognition of Prior Learning (RPL)} including 52,256 from State of Bihar.
- (c) Under this special programme the identification of reverse migrants and their mapping with job roles was done with the support of District Administration. Also, STT is linked to placement, while RPL recognizes the existing skills of candidates and does not mandate placement. Under STT of PMKVY, 87,772 and 68,327 candidates have been trained and certified, respectively. Out of certified Candidates, 33,522 candidates have been provided with the placement (wage/self employment) in various sectors.
