**ANSWER**  
**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT**  
**(SHRI FAGGAN SINGH KULASTE)**

- (a) to (c): The National Land Records Modernization Programme (NLRMP) was approved by the Cabinet on 21.8.2008 as a Centrally Sponsored Scheme and later revamped under the Digital India initiative and renamed as Digital India Land Records Modernization Programme (DILRMP) and is being implemented as a Central Sector Scheme with effect from 1<sup>st</sup> April, 2016 with 100% funding by the Centre. The Central Government, through the DILRMP is providing assistance to the States/UTs for various components of the programme, inter alia, for Computerization of Land Records. So far, Rs. 2000.30 Crore (approx.) has been released since 2008-09 by the Central Government. Till date, Computerization of Record of Rights (RoR) has been completed in 615,056 (93.68%) villages out of 656,521 villages across the country. The implementation of State wise Computerization of Land Records is enclosed at **Annexure-I**. All the States/UTs have been requested to expedite the implementation of DILRMP. The programme has been extended upto March 2026.
- (d): Land governance is a State subject listed at Sl. No.18 & 45 of State List (List II) and at Sl. No.6 & 42 of Concurrent list (List III) of the 7th Schedule of the Constitution wherein land revenue governance system is governed by State specific Acts/Rules/Regulations and certain Acts and Rules/Regulations of Central Government. Hence, maintenance of old records or database after updating the list of computer records for any additions or modifications totally lies on States/UTs. However, the Central Government is providing fund to the States/UTs under Modern Record Room (MRR) component of the DILRMP to keep all the electronic and physical Land Records database.
