(b) if so, the reasons for delay and the time by which grant-in-aid for this project is likely to be sanctioned by the Union Government?

**ANSWER
THE MINISTER OF YOUTH AFFAIRS & SPORTS
{ SHRI ANURAG SINGH THAKUR }**

(a) & (b) No Sir. The sports infrastructure project proposal for construction of multipurpose indoor hall at Mirjoli, Maharashtra Industrial Development Corporation (MIDC), Ratnagiri district, Maharashtra was received in this Ministry. However, the same, along with various other proposals, was returned to Government of Maharashtra, with a request to submit few prioritised proposals, for consideration, under the Khelo India Scheme.

The receipt of proposals for sports infrastructure project proposals received, from State/Union Territory Governments or other eligible entities, under the “Utilization and Creation/ Upgradation of Sports Infrastructure” vertical of the Khelo India Scheme is a continuous process. The proposals received are considered for financial assistance, as per the parameters of the Scheme subject to their completeness, technical feasibility and availability of funds.
