### GOVERNMENT OF INDIA MINISTRY OF AGRICULTURE AND FARMERS WELFARE DEPARTMENT OF AGRICULTURE AND FARMERS WELFARE

# LOK SABHA UNSTARRED QUESTION NO. 2721 TO BE ANSWERED ON THE $2^{\rm ND}$ AUGUST, 2022

#### **FUNCTIONING OF eNAM**

2721. SHRI FEROZE VARUN GANDHI:

DR. MANOJ RAJORIA:

DR. NISHIKANT DUBEY:

SHRI SUMEDHANAND SARASWATI:

SHRIMATI RANJEETA KOLI:

Will the Minister of AGRICULTURE AND FARMERS WELFARE कृषि एवं किसान कल्याण मंत्री be pleased to state:

- (a) the main objectives of the National Agriculture Market (eNAM) scheme along with the criteria for inclusion under it;
- (b) the main stakeholders of National Agriculture Market (eNAM) scheme and the details of the benefits which the stakeholders get from the scheme;
- (c) the assistance provided by the Ministry for the implementation of the scheme;
- (d) the reach and major achievements of the National Agricultural Market;
- (e) the total number of farmers, traders and mandis registered under the eNAM platform so far, State-wise including Jharkhand especially Santhal Pargana and Gujarat, district-wise;
- (f) the total value of trade that has taken place through the platform and the number of States that have implemented the programme; and
- (g) the number of small farmers benefitted under the programme?

#### **ANSWER**

MINISTER OF AGRICULTURE AND FARMERS WELFARE कृषि एवं किसान कल्याण मंत्री (SHRI NARENDRA SINGH TOMAR)

(a) to (c): In order to facilitate farmers with remunerative prices for their produce through online competitive bidding system in transparent manner, the Government is implementing National Agriculture Market (e-NAM) Scheme.

Under the scheme, three reforms are mandatory for States/Union Territories (UTs) in their respective State Agricultural Produce Market Committee (APMC) Acts for

integrating their mandis with e-NAM platform i.e. (i) Provision for e-trading, (ii) Single point levy of market fee and (iii) Unified Single trading license for the State. States without APMC Act need to provide legally enforceable guidelines and institutional mechanism for implementing e-NAM. Based on the proposals received from the compliant States/Union Territories (UTs), mandis are considered for integration by Government of India with e-NAM platform.

Government of India is providing free software and assistance upto Rs 75 Lakh per mandi under e-NAM for related hardware/ infrastructure including quality assaying equipments and for creation of infrastructure like cleaning, grading, sorting, packaging and compost unit etc. In addition, a Mandi Analyst for each e-NAM mandi is provided for a year for handholding support. Under the scheme, various training & awareness programmes are conducted for farmers, traders and other stakeholders for successful implementation of e-NAM.

The main stakeholders of e-NAM scheme are Farmers, Traders, Commission agents, Farmer Producer Organisations, State Agriculture Marketing Board / Dept, Mandis etc. e-NAM platform promotes better marketing opportunities for the farmers to sell their produce through online, competitive and transparent price discovery system and online payment facility. It also promotes prices commensurate with quality of produce. Farmers can access prevailing commodity prices information on e-NAM mobile application prior to even going to mandi. Government has also provided e-payment facility on e-NAM platform. e-payment facility enables sale proceeds in e-NAM to be directly transferred from buyers account to the bank account of the farmers in a transparent, speedy and safe manner. All these contribute towards better marketing efficiency and also better prices to farmers. Further, Government has launched FPO trading module to enable FPOs to upload their produce from collection centres/ farm gate with picture/ quality parameter for on-line bidding without physically bringing their produce to the mandis. Traders can also access to real time information related to arrivals and trade in e-NAM mandis.

(d) to (g): So far, 1000 mandis of 18 States and 3 UTs have been integrated with e-NAM platform for providing markets access to farmers to sell their agriculture produce.

Following are some of the major achievements of the e-NAM platform:-

- i. As on 30.06.2022, more than 1.73 crore farmers & more than 2.26 Lakhs traders have been registered on e-NAM platform.
- ii. Already trading parameters for 193 agricultural and horticultural commodities such as cereals, pulses, oilseeds, fruits & vegetables, spices, flowers and fiber crops have been provided.
- iii. FPO trading module has been launched whereby FPOs can trade their produce from their collection center/ premise without bringing the produce to APMC.
- iv. Warehouse based trading module is provided in e-NAM to facilitate trade from warehouses based on e-NWR.

- v. Further the e-NAM platform is made interoperable with Rashtriya e Market Services Private Limited (ReMS) platform of Government of Karnataka which will facilitate famers of either platforms to sell their produce in other platform thereby increasing their market access.
- vi. GPS Based e-NAM Mandi Locator: Farmers / Sellers can locate their nearby e-NAM mandi using GPS based mandi locator feature through e-NAM mobile app. This will helps the farmers to easily locate and reach the selected mandis and sell their agri-produce.
- vii. Integration with AGMARKNET platform: Farmer can access the prevailing commodity prices & arrival information of e-NAM mandi as well as non e-NAM mandi on e-NAM mobile app. prior to even going to the mandi.
- viii. e-NAM portal is available in English and 11 Indian languages (Hindi, Bengali, Marathi, Gujarati, Tamil, Telugu, Punjabi, Odiya, Dogri, Malayalam and Kannada) to facilitate farmers to use e-NAM in the language of their choice.

State wise details of the total number of farmers & traders registered and mandis integrated on e-NAM platform is at Annexure-I. The details of Santhal Pargana, Jharkhand is at Annexure-II. The details of Gujarat (District wise) is provided in Annexure-III.

As on 30.06.2022, the agricultural produce trade with a value of Rs 2.04 lakh crore have so far been recorded on e-NAM platform. Under e-NAM platform, there is no provision to categorize small farmers.
