ANSWER

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI NITYANAND RAI)
(a) & (b): Union Government, with its continuous efforts, has significantly improved its approach towards disaster management in the country from relief-centric to a holistic approach of preparedness, prevention, response, recovery, mitigation and capacity building. The Disaster Management Act, 2005 articulates the need for mainstreaming Disaster Risk Reduction (DRR) into development planning. The National Policy and National Plan on Disaster Management seeks to build a safe and disaster resilient India.

There are institutional mechanisms at the National, State & District level in the country viz. National Disaster Management Authority (NDMA), State Disaster Management Authorities (SDMAs) & District Disaster Management Authorities (DDMAs) respectively to develop appropriate preparedness, coordination and prompt response mechanism for effective management of natural disasters. Central Government has also set up the National Disaster Response Force (NDRF) for providing a specialist response to threatening disaster situations or disasters. The details of the key new initiatives and innovations undertaken during the last three years are given in Annexure-I.

(c) & (d) Ministry of Home Affairs has decided to reserve 10% vacancies for recruitment in Central Armed Police Forces (CAPFs) and Assam Rifles for Agniveers, completing four years under the Agnipath Scheme. It is also decided to give three years’ age relaxation beyond the prescribed upper age
limit to Agniveers for recruitment in CAPFs and Assam Rifles. NDRF is a deputationist force, whose personnel comes from the CAPFs and Assam Rifles.

(e) Union Government has constituted the National Disaster Mitigation Fund (NDMF) on 05.02.2021. Union Government has also advised all the State Governments to set up State Disaster Mitigation Funds (SDMFs). So far, 21 States have intimated setting up of SDMF. The details regarding Central share and State share of funds allocated and released from SDMF to various States is given in Annexure-II.

(f) & (g) The primary responsibility for disaster management rests with the State Governments. The Central Government strives to achieve zero mortality in all disasters in collaboration with State Government and response agencies. Further, strengthening of the disaster management is a continuing and evolving process of the governance.

******
Details of New initiatives and innovations undertaken during the last three years:

(i) Four (04) additional Battalions of National Disaster Response Force (NDRF) have been raised, taking the total number of NDRF Battalions to sixteen (16).

(ii) NDRF Academy, Nagpur has been established to provide specialized training in disaster response to NDRF, State Disaster Response Force (SDRF), Civil Defence and other stakeholders.

(iii) An International Coalition for Disaster Resilient Infrastructure (CDRI) has been launched with the aims to promote the resilience of infrastructure systems to climate and disaster risks, thereby ensuring sustainable development.

(iv) National Disaster Management Plan issued in 2016, was revised in 2019.

(v) Subhash Chandra Bose Aapda Prababdhan Puraskar was instituted in 2018-19 to recognize the excellent work done by individuals and institutions in India in the field of Disaster Management.

(vi) As per significant decision taken by the Government in August 2019, the Inter Ministerial Central Teams (IMCT) are deputed to States immediately after a severe calamity, without waiting for memorandum from the affected State.

(vii) Aapda Mitra Scheme has been launched to train 1,00,000 community volunteers in disaster rescue in 350 multi-hazards disaster prone districts, covering all States/UTs.

(viii) Common Alerting Protocol based Integrated Alert System (Sachet) Phase-I (CAP) has been approved for integration of all alerting agencies in a Centralized web-based platform.
(ix) National Disaster Management Information System (NDMIS) has been launched for development of a comprehensive online module for capturing sector-wise data on disaster losses etc. from States as well as details of expenditure incurred on disaster response from SDRF / NDRF.

(x) Model Bill ‘to provide for the maintenance of fire & emergency service for the States’ has been circulated to all States/ UTs on 16.09.2019 for revision / preparation of their respective Fire Rules / Regulations.

(xi) Indian University and Institution Network for disaster risk reduction (IUINDRR-NIDM) has been established under the aegis of National Institute of Disaster Management (NIDM) in terms of Hon’ble Prime Minister's 10-point agenda on DRR.

(xii) In addition, Central Government has established a robust early warning system and has significantly enhanced accuracy of weather forecasts. Mock exercises and community awareness programmes are also being regularly conducted.
Annexure referred to in reply to part (e) of the Lok Sabha Unstarred Question No. 299 due for answer on 19.07.2022
