ANSWER

**THE MINISTER OF STATE IN THE
MINISTRY OF HOUSING AND URBAN AFFAIRS
(SHRI KAUSHAL KISHORE)**

- (a) The details of funds released and utilized on the urban development schemes - Atal Mission for Rejuvenation and Urban Transformation (AMRUT), Smart Cities Mission(SCM), Swachh Bharat Mission-Urban(SBM-U), Pradhan Mantri Awas Yojana-Urban (PMAY-U), North-Eastern Region Urban Development Programme(NERUDP) and 10% Lumpsum Scheme of the Ministry of Housing and Urban Affairs (MoHUA) are given in Annexure.**

- (b) & (c) Ministry of Housing & Urban Affairs approves the overall State plans and releases the central financial assistance under its missions. The detailed projects are conceived, appraised, approved and implemented by the States/Union Territories(UTs). The urban infrastructure projects generally require three years for execution and completion after selection of cities/projects, approval of plans and setting up of implementation structures. Utilisation of funds released under the missions/schemes depends upon these aspects. Moreover, utilization certificates submitted by the States/Uts for seeking subsequent instalments, when it has reached upto the threshold for the next release. Hence, there is a gap between actual utilization on ground and utilisation reported by the States/Uts.**
- (d)&(e) In order to monitor progress of schemes and funds allocated to the States/Uts, various institutional frameworks, like submission of periodic progress reports, review meetings, video conferences, field visits have been put in place. Instalments of central assistance are released keeping in view the reports of the Independent Review and Monitoring Agencies (IRMA)/Utilisation Certificates issued by the State Government authorities as required under the respective scheme guidelines.**
- (f) AMRUT and AMRUT 2.0 Mission guidelines make mandatory for States/Uts to release corresponding State/ULB share within stipulated time period from the release of Central Assistance (CA) As per the guidelines, States/Uts have to submit Utilisation Certificates (UC) against the released Central Assistance (CA)- States/Uts need to submit claim for further CA on utilisation of 75% already released CA. Single Nodal Account (SNA) Module is implemented in AMRUT and AMRUT 2.0 Mission for real time monitoring of funds availability and utilization of funds released to the States/Uts. External Agency (IRMA) reviews and verifies the progress of the projects and funds utilisation by the States/Uts in both the Missions and submits the reports on same.**
