- (b) the other facilities/arrangements proposed to be provided for the safety on NHs in the country?**

ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) and (b) (i) GSR notification 575(E) dated 11th August, 2021 provides for Electronic Monitoring and Enforcement of Road Safety which mandates that State Government shall ensure that appropriate electronic enforcement devices are placed at high risk and high-density corridors on National Highways.

(ii) Provision of Advanced Traffic Management System (ATMS) is envisaged in high traffic density corridors which has provisions for close circuit Television (CCTV)/Pan, tilt and zoom (PTZ) cameras, Variable message signs, Vehicle Actuated Speed Display System, Automatic Traffic Counter cum Classifier, and Video Incident Detection System.
