SKILL DEVELOPMENT IN ODISHA

32. SHRI MAHESH SAHOO:

Will the Minister of SKILL DEVELOPMENT AND ENTREPRENEURSHIP be pleased to state:

- (a) the details of the number of youths trained for Skill Development across the country, in the last five year, State-wise including districts of Odisha;
- (b) whether the Government has any data with regard to post for employment of the skilled youths;
- (c) if so, the details of the number of youth that have been employed in Odisha district wise?

ANSWER

**MINISTER OF STATE IN THE MINISTRY OF
SKILL DEVELOPMENT AND ENTREPRENEURSHIP
(SHRI RAJEEV CHANDRASEKHAR)**

(a) Under Skill India Mission, the Ministry of Skill Development (MSDE) has been delivering short term skills through Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Jan Shikshan Sansthan (JSS) Scheme and National Apprenticeship Promotion Scheme (NAPS), and long term skills through Craftsman Training Scheme (CTS) through Industrial Training Institutes (ITIs), across the country. The details of number of youth trained under various schemes of MSDE, during last five years, State-wise including districts of Odisha are placed at **Annexure I, II, III and IV**.

(b) Yes, Sir.

(c) The number of youth that have been employed in Odisha, district wise under the PMKVY is at **Annexure V**.

JSS: The objective of training imparted under JSS is to link the individuals for gainful livelihood and supplement their family income through self-employment and wage employment. The providing of employment/placement to the beneficiaries is not the mandate of the JSS Scheme. As far as the employment of the JSS scheme beneficiaries is concerned, third party evaluation report of the scheme has mentioned, "It is finally observed that as an impact of the training programme conducted at JSSs, the self and wage employment and private job have become evident". The usefulness of the scheme would be further self-evident from the fact that same report has mentioned that 77.05% of the beneficiary trainees have undergone occupational shifts.

CTS: The final report of Tracer Study of ITI Graduates (published in January 2018 by the Ministry of Skill Development & Entrepreneurship, GoI) mentions that 63.5% of total ITI pass-outs got employed (wage+ self, out of which 6.7% are self-employed).

NAPS: Placements are not tracked in NAPS.
