ANSWER

THE MINISTER OF STATE IN THE
MINISTRY OF HOUSING AND URBAN AFFAIRS

(SHRI KAUSHAL KISHORE)

(a): Under Atal Mission for Rejuvenation and Urban Transformation (AMRUT), States/Union Territories (UTs) have been empowered to select, appraise, approve and implement projects as per their local requirements and within the overall framework of Mission guidelines. The Ministry of Housing and Urban Affairs approves the State Annual Action Plans (SAAPs) submitted by the States/UTs and releases Central funds as per the Mission guidelines.

The progress of the Mission is regularly monitored in the Ministry through various mechanisms such as dedicated AMRUT portal on which progress of works is updated by the States/UTs, video conferences, webinars, workshops, review visits etc. The progress of States/UTs is also reviewed regularly by the Apex Committee of AMRUT.

State of Andhra Pradesh has so far provided 3.93 lakh water tap connections and 3.85 lakh sewer connections under AMRUT & in convergence with other schemes against the targeted 7.29 lakh water tap connections and 1.31 lakh sewer connections. Further, 187 Million Litres per Day (MLD) Sewage treatment capacity is under development through ongoing projects of the Mission apart from construction of about 57 Kilometres of storm water drainage to reduce urban flooding in AMRUT cities.

(b): The district-wise list of cities of the State of Andhra Pradesh included under AMRUT 2.0 is placed at Annexure.

(c): For the State of Andhra Pradesh, SAAPs amounting to ₹2,890.17 crore, including committed Central Assistance of ₹1,056.62 crore have been approved for the entire Mission period under AMRUT. So far, ₹866.39 crore has been released to the State of Andhra Pradesh as Central funds for implementation of projects under the Mission. The State of Andhra Pradesh has, however, taken up 226 projects amounting to ₹3,333.76 crore, which is in excess of the approved SAAPs. The entire additional cost of the projects will be borne by the State.

Of these 226 projects taken up under AMRUT by the State Government in the sectors of Water Supply, Sewerage & Septage Management, Storm Water Drainage and development of Green Spaces/Parks, works have been completed for 100 projects costing ₹739.79 crore, while 126 projects costing ₹2,593.97 crore have been grounded and are at various stages of implementation. Total works worth ₹2,239.36 crore have been physically completed so far.

Under AMRUT 2.0, ₹3,158 crore has been allotted to the State of Andhra Pradesh as committed Central Assistance for implementation of projects.

ANNEXURE REFERRED TO IN REPLY TO PART (b) OF UNSTARRED QUESTION NO. 749 REGARDING “TARGETS UNDER AMRUT”, DUE FOR ANSWER IN THE LOK SABHA ON 21 JULY, 2022.
