(a) AAI Cargo Logistics and Allied Services Company Limited (AAICLAS) has commissioned Domestic as well as International Air Cargo movement through the newly constructed Integrated Air Cargo Terminal at Jaipur International Airport along with the Regulated Agent (RA) status. The new facility has an annual capacity of around 92,000 MT for Domestic and around 30,000 MT for International air cargo. AAICLAS has already commenced Domestic Air Cargo movement through Domestic Passenger Terminal at Udaipur Airport.

(b) and (c) Ministry of Civil Aviation had received request from Government of Rajasthan regarding allotment of space to Rajasthan Small Industries Corporation Limited (RAJSICO) at AAICLAS facility at Jaipur airport for handling of air cargo. The State Government of Rajasthan was apprised that AAICLAS is already operating as Regulated Agent (RA) at this Integrated Air Cargo Terminal and the prevailing security stipulations permit one RA in one premises. The State Government was further advised that if RAJSICO seeks to work as RA, it can ask land directly from airport operator or else use AAICLAS facility without being a RA.
