**ANSWER**

**THE MINISTER IN THE MINISTRY OF CHEMICALS & FERTILIZERS  
(SHRI JAGAT PRAKASH NADDA)**

---

(a) to (f):      A statement is laid on the Table of the House.

**Statement referred to in reply to Lok Sabha Starred Question No. \*161 (1<sup>st</sup> Position) for answer on 02.08.2024 raised by Shri Rajkumar Chahar regarding “Drugs under DPCO”.**

(a) to (c): Ministry of Health and Family Welfare notifies the National List of Essential Medicine (NLEM) which is incorporated in the Schedule – I of Drugs (Prices Control) Order, 2013 (DPCO, 2013). As per the provisions of DPCO, 2013, National Pharmaceutical Pricing Authority (NPPA) under Department of Pharmaceuticals (DoP) fixes the ceiling price of drugs specified in the Schedule -I of the DPCO, 2013. NPPA also fixes retail price of a new drug as defined in DPCO, 2013 for existing manufacturers of the scheduled formulations. In case of non-scheduled formulation, no such ceiling is prescribed by NPPA and a manufacturer is at liberty to fix the Maximum Retail Price (MRP) of the drugs launched by it, however, no manufacturer can increase MRP of non-scheduled drug by more than 10% of MRP during preceding 12 months. However, the business practices including margins and discounts offered to various stakeholders in the supply chain at different stages are not within the purview of DPCO, 2013.

(d): Ceiling prices of 926 scheduled formulations are effective as on 30.07.2024. The list of 926 formulations is placed at Annexure. Further, ceiling price of Orthopaedic Knee Implants was fixed on 16th August 2017 and is extended from time to time in public interest.

In addition, NPPA has brought other drugs under price control/regulation which includes fixation retail price of around 2894 new drugs; capping of the MRP of 106 non-scheduled drug formulations in 2014; capping of trade margin of non-scheduled formulations of 42 select Anti-cancer drugs in February, 2019; and capping of trade margins of six medical devices in June/July 2021.

The details of prices fixed by NPPA are available on the website of NPPA i.e., [nppaindia.nic.in](http://nppaindia.nic.in).

(e) & (f): All drugs are essential commodity under the Essential Commodities Act, 1955 and the same are regulated under the provisions of DPCO, 2013 either through price fixation or monitoring of prices. Presently, there is no such proposal to fix the ceiling prices and MRPs of all drugs. However, under the relevant provision of the DPCO, 2013, the Government, in case of extra ordinary circumstances, if it considers necessary so to do in public interest, can fix the price of any drug for the period, as it may deem fit.
