**ANSWER**

**MINISTER OF RAILWAYS, INFORMATION & BROADCASTING AND  
ELECTRONICS & INFORMATION TECHNOLOGY**

**(SHRI ASHWINI VAISHNAW)**

**(a) to (e) As the Railway network straddles across boundaries of Parliamentary Constituencies, train services are introduced, as per network requirement, across such boundaries. Bhiwani is presently being served by 52 train services while Mahendragarh is being served by 28 train services. Further, to cater to the needs of the passengers of stations located in the Bhiwani Mahendragarh Lok Sabha Constituency, 14 new train services (in single) have been introduced and stoppages of 26 train services (in single) have been provided since the year 2014. Besides, introduction of new train services and provision of stoppage of existing/new train services is an ongoing process on Indian Railways subject to traffic justification, operational feasibility, resource availability, etc.**
