This scheme is completely managed by the UT administration. For this scheme, the UT administration has fixed a period for enrolment from February to April.

(e): AB-PMJAY aims to provide health cover of Rs. 5 lakhs per family per year for secondary and tertiary care hospitalization to approximately 55 crore beneficiaries corresponding to 12.34 crore families constituting the bottom 40% of India's population. Eligible beneficiaries can avail cashless and paperless healthcare services related to hospitalization across more than 29,000 empanelled hospitals in the country. In the latest national master of the Health Benefit Package (HBP), the scheme provides cashless healthcare services related to 1949 procedures across 27 medical specialties including General Medicine, Surgery, Cardiology, Oncology etc.
