So far, a total of 68 Rozgar Melas have been organized in the State of Karnataka.

(d) The National Skill Development Agency (NSDA) was an autonomous body registered as a society under the Societies Registration Act, 1860, under the Ministry of Skill Development and Entrepreneurship. Consequent upon its merger with National Council for Vocational Training (NCVT), the National Council for Vocational Education and Training (NCVET) was established as a regulatory body. It functions as an overarching national regulator for setting standards and formulating comprehensive regulations for the vocational education, training, and skilling ecosystem for improving quality and outcomes.
