(a): The Government has approved setting up of 7 (Seven) PM Mega Integrated Textile Region and Apparel (PM MITRA) Parks in Greenfield/Brownfield sites with world class infrastructure including plug and play facility with an outlay of Rs. 4,445 cr for a period of seven years upto 2027-28. Since the scheme is at an initial stage of implementation, therefore no survey/study/research has so far been conducted. Apart from this, Ministry is also implementing Scheme for Integrated Textile Park (SITP) to provide support for setting up textile parks with world-class, state-of-the-art infrastructure in textile hubs across the country. Under SITP, out of 50 textile parks sanctioned, 30 textile parks have been completed while 20 textile parks are under implementation. An evaluation study of SITP was carried out by Arun Jaitley National Institute of Financial Management (AJNIFM) in December 2020. The study inter alia indicated that the SITP generated employment, attracted investment and augmented development of infrastructure.
