(a)   the details of the scheme launched for the installation of Telecom Security Operation Centre (TSOC);

(b)   the objectives thereof and the progress made in this regard; and

(c)   the benefits realized as a result of the same?

ANSWER

**MINISTER OF STATE FOR COMMUNICATIONS AND RURAL DEVELOPMENT
(DR. PEMMASANI CHANDRA SEKHAR)**

(a) to (c)   To safeguard the telecommunication network from potential cyber threats, Department of Telecom has set up a Telecom Security Operation Centre (TSOC), for detecting potential cyber threats to Indian telecommunication network and providing alerts to relevant stakeholders for necessary actions.

Since 01.01.2023, TSOC has identified more than 31.5 lakh vulnerabilities in India and shared information with relevant stakeholders for remedial actions.
