(Shri Murlidhar Mohol)

Airports Authority of India (AAI) and PPP Partners have embarked upon a CAPEX plan of more than Rs. 91000 crore during FY 2019-20 to FY 2024-25 for development/ upgradation/ modernisation of various airports in the country to meet the requirement of air traffic/ passenger growth. The airports are selected for modernisation based on various factors such as operational requirements, commercial feasibility, availability of land, traffic demand / willingness of airlines to operate to/from such airport etc.
