THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) to (c) Hyderabad – Srisailam section of NH-765 and Regional Ring Road in Hyderabad are in DPR stage. Based on outcome of DPR, civil construction work is taken up depending upon projected traffic, techno-economic viability, availability of funds and inter-se-priority

This Ministry is primarily responsible for development and maintenance of National Highways. Ministry keeps on receiving proposals for declaration of State roads as National Highways from different States and Union Territories including the State of Telangana. The Ministry considers declaration of some State roads as NHs from time to time based on the fulfillment of the criteria for declaration of NHs, requirement of connectivity, inter-se priority and availability of resources.

(d) Four laning the stretch from Karimnagar to Jagtial is at the stage of bidding. As per estimated schedule, total time required for completion of bidding is 5 months and scheduled time from commencement to completion of work is 2.5 years.
