UNSTARRED QUESTION NO.3005 TO BE ANSWERED ON: 09.08.2024

SUBSIDY FOR FERTILIZER INDUSTRIES

3005: SHRI MALVINDER SINGH KANG:

Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

- (a) the accumulated outstanding amount of subsidy payable to individual fertilizer industries at the end of the year 2023;
- (b) the reasons for accumulation of the outstanding amount;
- (c) the overall effect thereof on the performance of fertilizer industries in the country; and
- (d) the steps taken/proposed to be taken by the Government for improving the said situation?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS & FERTILIZERS
(MS. ANUPRIYA PATEL)

(a) to (d): The subsidy payable to individual fertilizer companies under the various subsidy schemes of Department of Fertilizers is disbursed through an online system. All the Fertilizer sale transactions are captured online in the Integrated Fertilizer Management System (iFMS) system on real time basis. The claims are processed on a weekly basis and the amount of subsidy is remitted to the company's bank account through electronic mode based on the actual sales made through PoS machines. The payment of bills is processed on "First in First out (FIFO)" principle in the sequence of the receipt of same based on duly completed bills received in the Department, which is a dynamic process. Further, claims raised by the companies are also sent back for corrections and modifications following laid down provisions resulting in accumulation of pending claims. The Department is responsible for payment of bills only when bills, duly completed in all respects, are generated by the Fertilizer companies and not for incomplete claims. Whenever any shortage of funds is noticed, the Department immediately makes all the possible efforts to get additional funds under supplementary grants or revised estimates as per procedure. The subsidy provided by the Government for fertilizers in the year 2021-22, 2022-23, and 2023-24 is Rs. 1,57,640.1 Crores, Rs. 2,54,798.9 Crores, and Rs. 1,95,420.51 Crores respectively.

The details of outstanding amount of subsidy payable to individual fertilizers industries as on 31.12.2023 is placed at **Annexure** and the details of accumulated outstanding amount scheme-wise as on 31.12.2023 is as under:
